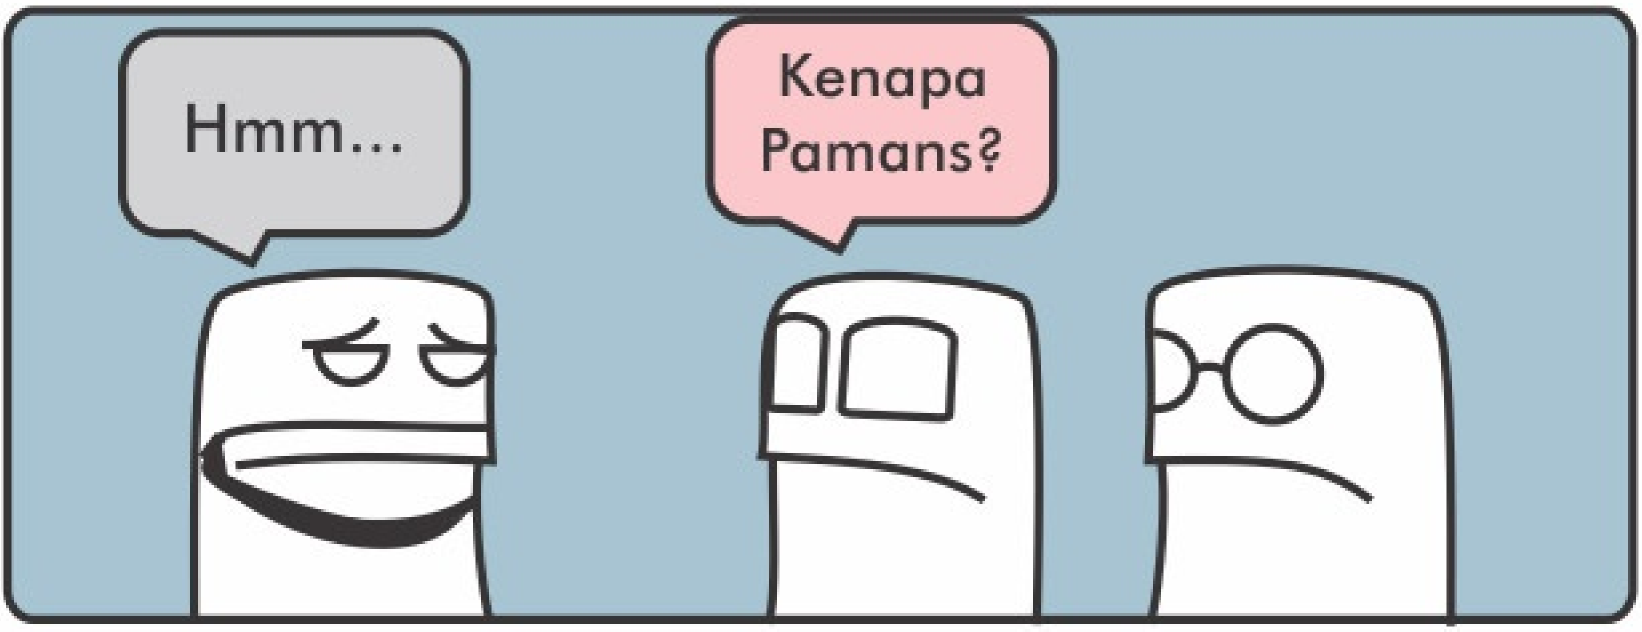
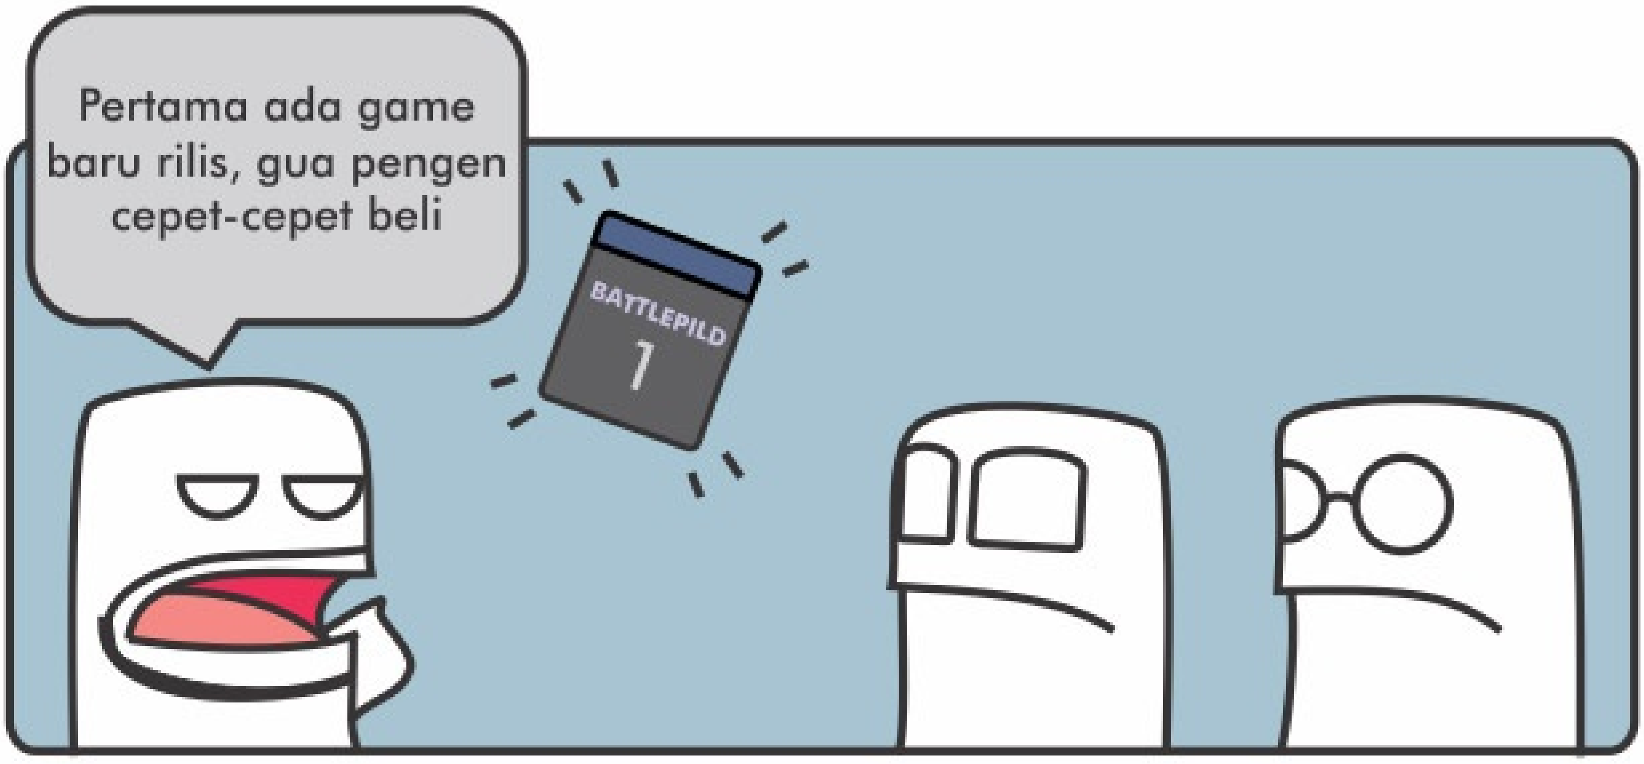
GALAU

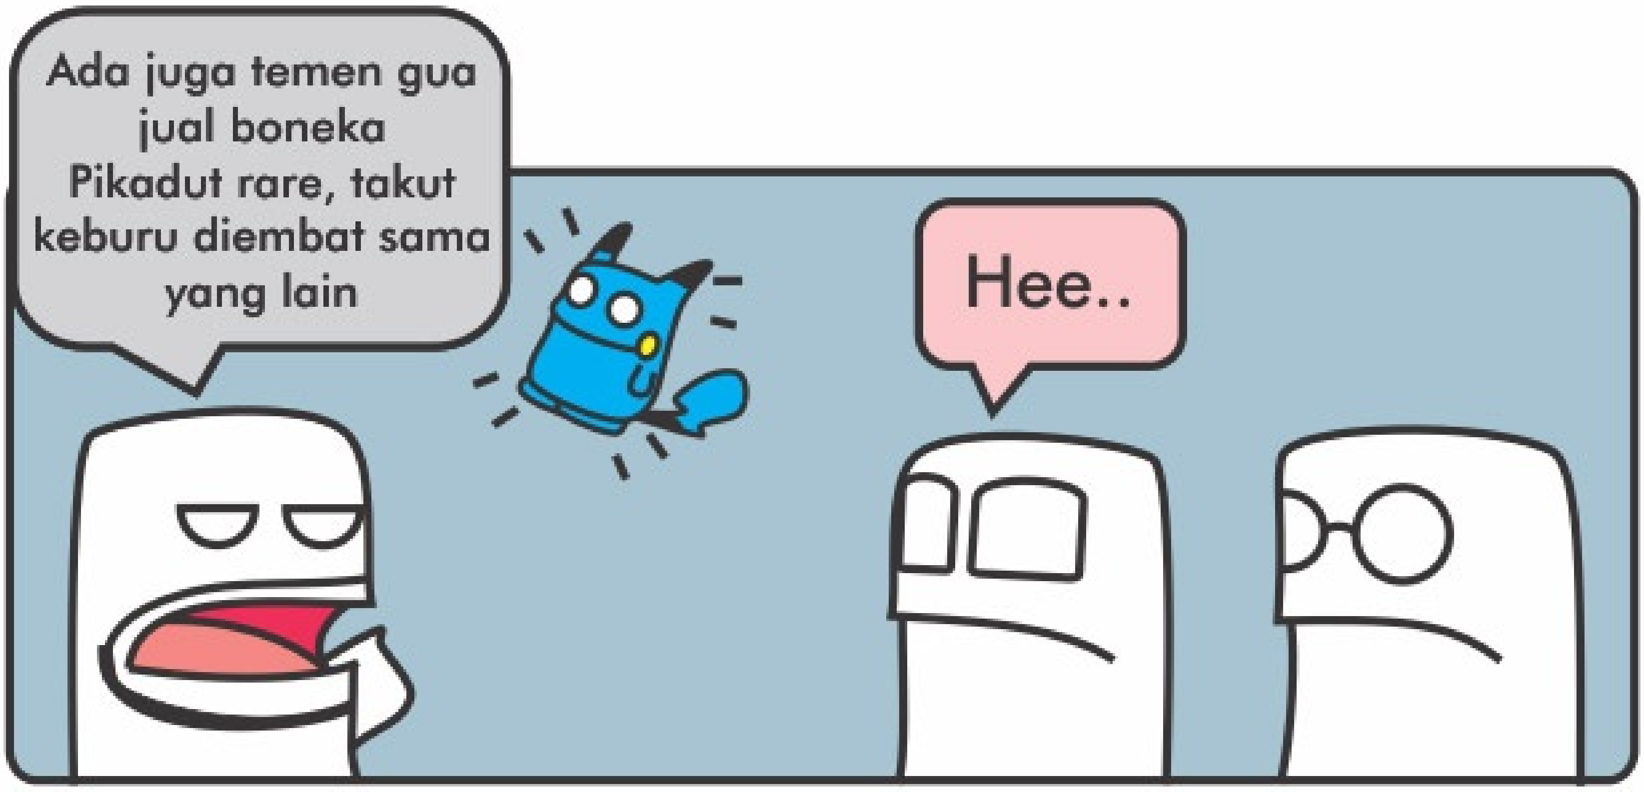


Gua galau, banyak yang pengen dibeli
Pengen beli apa aja?



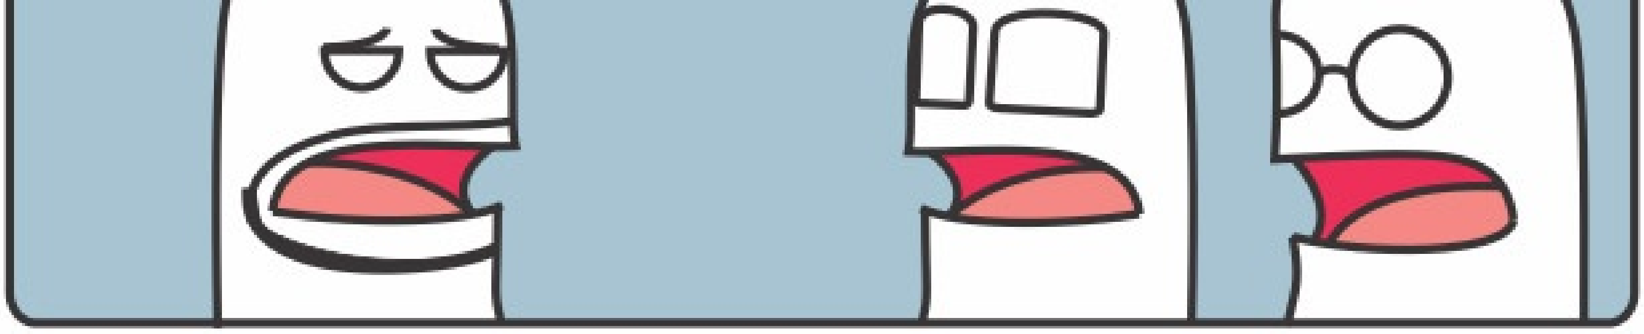
Pertama ada game baru rilis, gua pengen cepet-cepet beli
BATTLEPILD
1

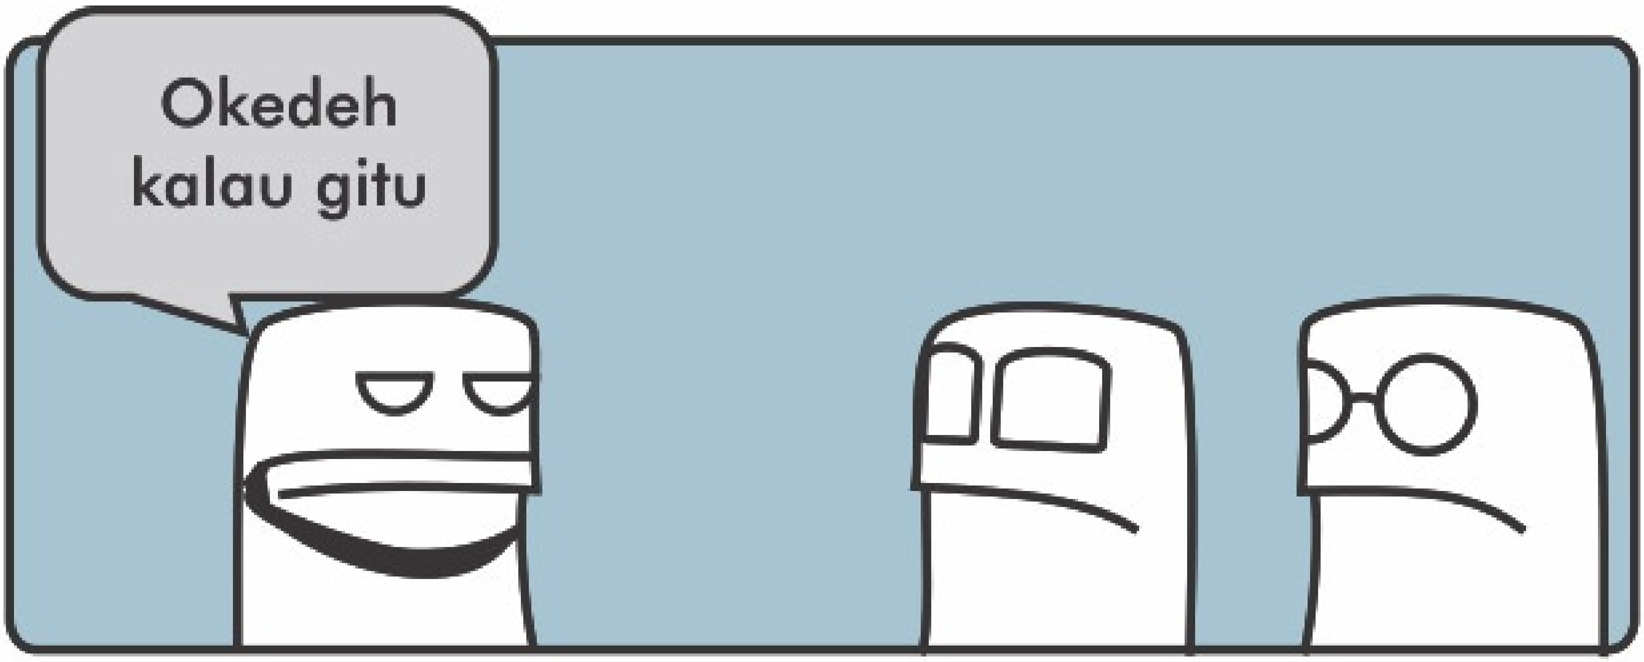
Terus ada figure bagus diskon di toko langganan



Ada juga temen gua jual boneka Pikadut rare, takut keburu diembat sama yang lain
Hee..

Jadi bingung mau beli yang mana dulu..
Mending renungin dulu Pamans semaleman
Iya, biar ga nyesel

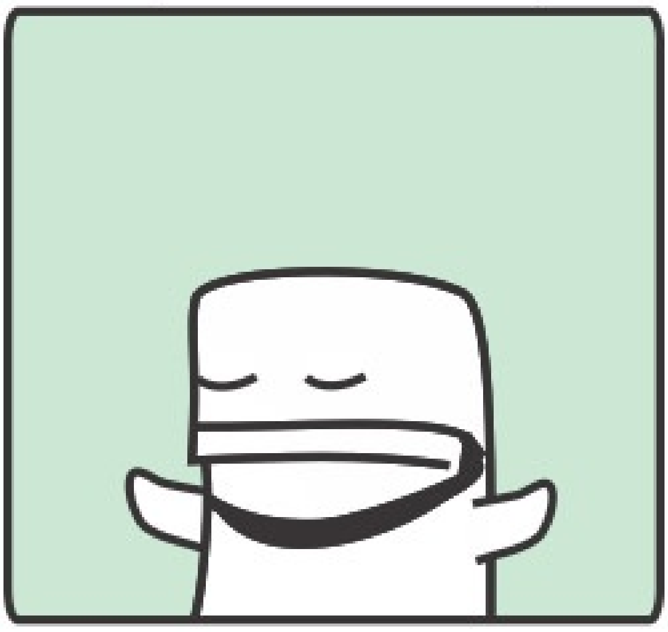




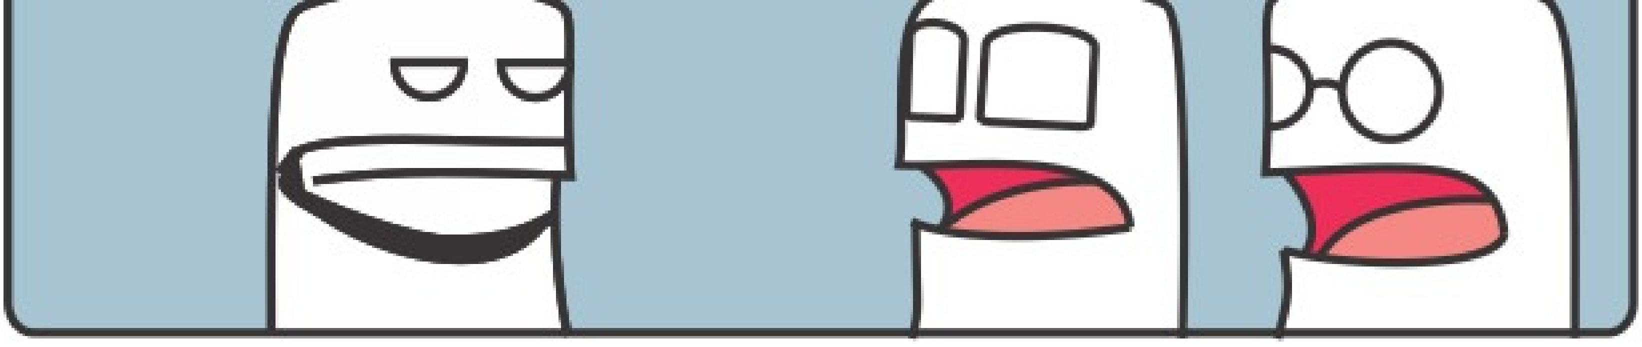
Bertapa di air terjun

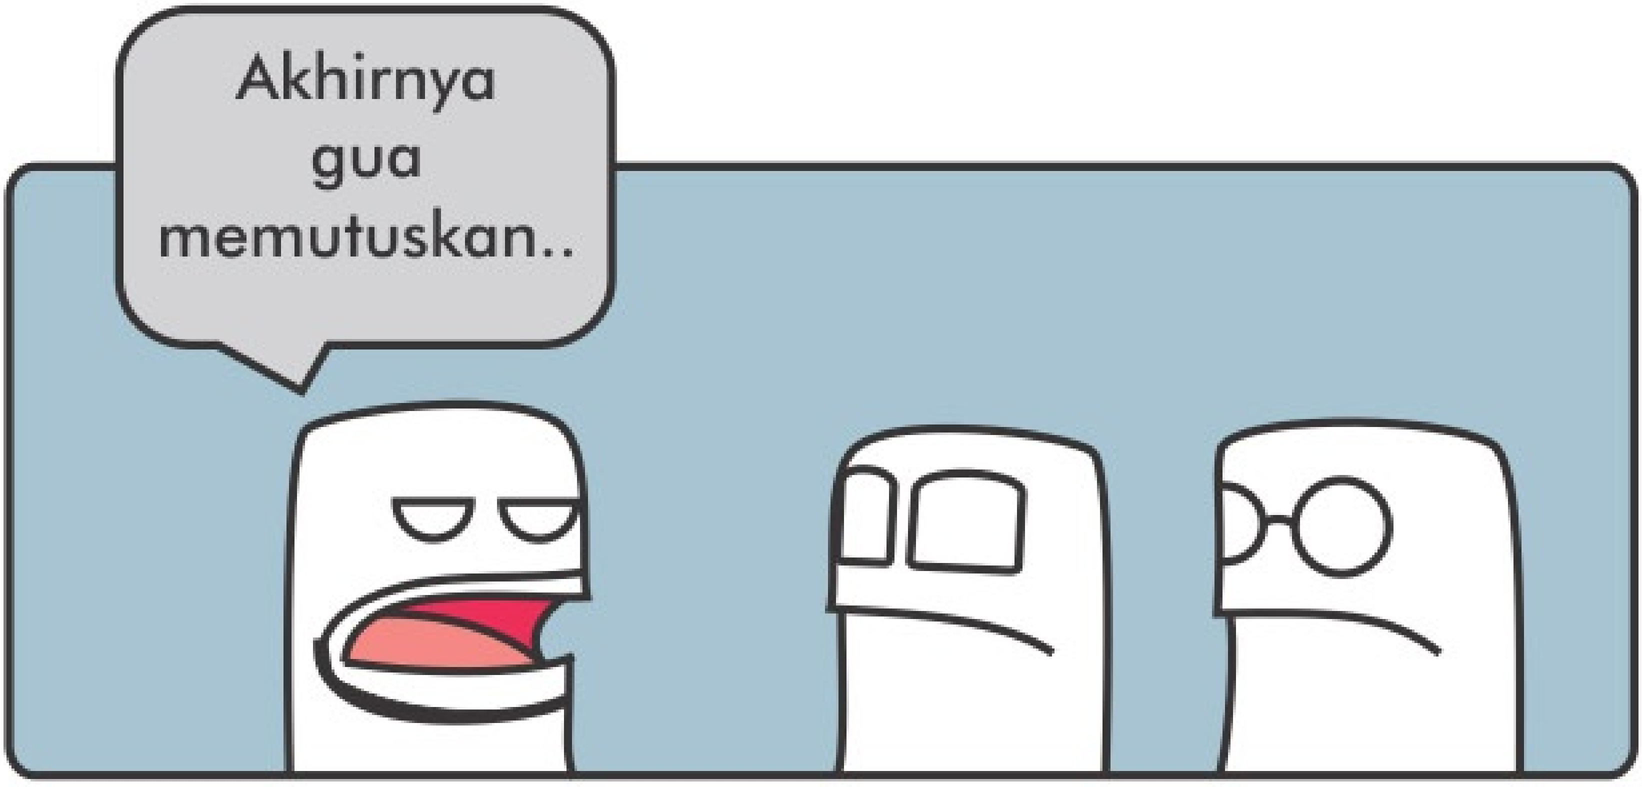
Merenung di bawah rembulan

Semedi
(terus ketiduran)



SEHARI SEMALAM KEMUDIAN





Akhirnya gua memutuskan..

Beli tiga-tiganya
...Pamans,
